

Tomorrow's Voices has answered your call for effective social skills training and development in Bermuda. We are pleased to announce our Saturday Social Skills Group. A social skills development group designed to build pro-social behaviors and increase the functional life and daily living skills of the youth in our program. Programming will include centre based fun and therapeutic activities along with community outings and exploration.

Social skills impact every aspect of our lives. Social skills development is as important as the development of academic skills (*Krehbiel, Family Resource*).

Evidence suggest that a lack of social skills development can be a predictor of future school difficulties (Holmes, 2000).

We encourage you to send your developmentally disabled or typically developing youth to our social skills group starting January 9th, 2016.

Cost: \$35 per session ~ Ages: 3 to 18 (Children 5 and under must be accompanied by an adult)

Volunteers Needed: If you or your teen are looking to volunteer time to assist with this great programme please give us a call at 297-4342 today! Students (15 years old and up) may also receive community service hours for volunteering.

Every 2nd and 4th Saturday in the month from 9:00am – 1:00pm
